Women's

1.

1. K2® Schi Devil Telemark Ski.

[201233021] \$489.00

All-around tele skis built to perform in any conditions. Women-specific mid-fat design holds in frozen granular and floats on powder too. Twin metal laminates for edge power. Imported. Sizes: 153, 160, 167.

2. Women's G3® Targa Roxy Binding.

[210179271] \$169.95

Ultralight steel alloy offers incredible strength-for-weight. Reinforced toe bail lets you really attack the slope. Heel throw in touring mode reduces tension on calf muscle. Imported. Fits W's boot sizes: 6-10.

3. T2X Lady SCARPA® Telemark Boot.

[210213568] \$559.00

Perfect blend of touring features and downhill performance. Three microadjustable buckles and Plusfit thermoformable liners for dialed-in fit. Imported. Mondo point sizes: 23-25 whole.

4. Life Link® Variant Probe Ski Pole.

[210196902] \$89.95/pair

Telescopes from 44 to 58 in. so you can adjust length to match terrain, or reconfigure to make a 6 ft. 11 in. probe. Wrist straps detach from grips. Imported.

1, 2, 3, 4 Limited stores or 24/7 at www.ems.com

3.

2.

4.

1. Black Diamond™ Crossbow Randonnée Ski.

[210213636] \$589.95

Aggressive mid-fat ski carves confidently through snow, crud, and powder. Whether you free-heel or lock them down, the Crossbow responds with smooth, powerful turns. Austria. Sizes: 163, 171, 179, 187.

2. SCARPA® Denali TT AT Boot.

[210213577] \$529.00

Aggressive, precise ski touring boot with great lateral grip. Rigid Pebax® shell accurately transmits foot pressure to ski. With thermomoldable liner. Italy. Mondo point sizes: 26-30 whole.

3. NEW Black Diamond Fritschi Diamir Freeride Plus AT Binding.

[210233384] \$425.00

Provides hard-carving power transmission equal to that of alpine bindings, plus the ability to free your heel for touring and climbing. Switzerland. Sizes: Short, medium, X-large.

1, 2, 3 Limited stores or 24/7 at www.ems.com
